

ePort Readiness RoadMap: IUPUI
Developed by Sharon Hamilton and Jay Fern

	CONCEPTUAL	TECHNICAL	CURRICULAR	IMPLEMENTATION
What?	What is an ePort?	What technology do you require?	What are the implications of ePort for curriculum and pedagogy?	What processes are in place or required to implement ePort?
Why?	Why develop an ePort?			
Goals and Objectives?	What are your goals for ePort?			
Outcomes?	What are your expected outcomes?			
Policies	What policies need to be developed?			
Support	What supports are needed and who will provide them?			
Constituencies	Who should be involved/considered in the conceptual development?
